## FAQ

1. **How many sets of uniforms should I buy?** This depends on how often you are able to wash and dry uniforms. If you are unable to wash during the week, then get 4 regular uniforms and 1 sport uniform. If you wash more often, then you may be ok with 2 regular uniforms and 1 sport uniform. You can always buy more uniforms during the term as you need to. Remember to keep a spare uniform in their school bag for accidents.
2. **Which style of hat should I choose?** The Wide Brim hat is the most popular in Kindergarten as it provides the maximum sun protection, with some children preferring a cap if they are running around a lot. Students are outside for 25 minutes at recess and 50 minutes at lunch. The Wide Brim is sun safe.
3. **Should I choose the dress or polo with culottes?** This is a personal choice, with many choosing the dress as a traditional style in Kindergarten. As the children get older, more move to the culottes for comfort and practicality. You could also try both options.
4. **What coloured socks should be worn?** Regular uniform is white socks for girls and grey socks for boys with black shoes or joggers for all. Sport uniform is joggers and white socks for all.
5. **When should I purchase Winter uniforms?** Wait until the weather cools down in Term 2. You will need one jumper or jacket in Summer for the cooler days.
6. **What size uniform should I order?** See the table for a size guide. All children are different and sizes may vary. Please keep all tags and packaging in tact if you may need to exchange sizes.
