Term 3 | Week 4 | 13 August 2019

## Principal's Report

### Education Week 2019

Our school has chosen to celebrate Education Week on Thursday 15 August. Education Week is an opportunity for public schools to showcase some of the fantastic things that happen on a regular basis in our schools and to invite our school community to come in to our school. The theme for Education Week 2019 is "Every student, every voice" and I think this is very appropriate, tying closely with our school vision "Learning and Working Together" where staff, families and students work collectively to provide every student with the support to create a positive path in learning and life.

Between 9:00am and 10:00am, we will be holding our always enthusiastically attended Book Week Parade. This will be followed by Open Classrooms as follows:

10:10am - 10:30am - Early Stage 1

10:30am - 11:00am - Stage 1

11:00am - 11:30am - Recess - Feel free to join us for a relaxing break - bring a picnic blanket and enjoy! K-2 Parents, please join your child on the K-2 synthetic grass area.

11:30am - 12:00pm - Stage 2

12:00pm - 12:30pm - Stage 3

We look forward to seeing many families join us on the day for what is always a highlight on the school calendar.

### Playground Equipment Update

I am excited to let our community know that work began today on the installation of our new play equipment. It has taken time and great effort to get to this stage and I would like to thank all those involved in the process for your unwavering enthusiasm to get to this point. The installation is expected to take approximately a week. Temporary fencing will be installed in the playground during this time, with some minor modifications and restrictions occurring. It is anticipated that the play equipment will be open to students at some stage next week.

### Working Bee

With the installation of the play equipment occurring this week, there was a need to hold a working bee last Saturday, to prepare the site. I would like to thank the families who were able to attend. Not only were they able to ensure the area was ready for the installers to attend today, but they also did a great deal of mulching and weeding of our K-2 garden beds which has given the area a huge face-lift. A huge thanks to: John Z, Natalie, Fred and Alex B, Matt, John and Lachlan P, Brendan H, Rob B, Liz P and Joseph D who all did their part for the school. I would also like to give a huge thanks to Justin D for his co-ordination of the working bee. It was a huge success. If you would like to be a part of future working bees, don't be disappointed you missed out on this one.... We have plans for more down the track, so keep an eye out for more information in coming months.

### Learning Communication Survey

We are always looking to improve and provide the best possible communication around learning. Could you please complete a short survey, which can be found at [gg.gg/WoononaSurvey](http://gg.gg/WoononaSurvey) (please type into the browser) to give a better insight into where you see most value in the way in which we communicate your child's learning? Your responses are greatly appreciated.

### P&C Meeting Reminder

Our next P&C meeting will be on Wednesday 14 August at 6:30pm (that's this Wednesday). The meeting will be held in the school staff room. We hope to see you there!

### Kinder 2020

Our Kinder enrolments for 2020 are already up to 70, which is fantastic! If you have a child that will be starting in 2020 but are yet to make contact with the school, please contact us as soon as possible so we can start to make arrangements for the coming year. If you know of a neighbour, friend or relative who will be enrolling their child at WPS in 2020, and live in our school catchment area, please encourage them to make contact with our school office.

### Stage 1 Excursion

I wish our students and staff a most enjoyable Friday, when they head off to Powerhouse Museum. Students will spend the day engaging in learning that will reinforce class units of work that has been occurring throughout the term. Thank you to all staff for your organisation. I hope everyone has a wonderful learning experience.

### Southern Stars

Prior to the next newsletter, Southern Stars will have occurred for 2019. I want to wish our students and staff, who are involved, all the very best. Southern Stars is a huge commitment from staff, students and their families, but the enjoyment everyone gets from being involved is truly worth it – it is an amazing experience and magnificent spectacle! I would like to thank Mrs McLerie and Ms Phillips for their co-ordination and commitment to Southern Stars this year and congratulate our students and their families for what I know will be a long and exhausting, but highly rewarding, few days.

### Extended Staff Meeting

Next Tuesday, staff will continue their professional development by participating in our first Woonona Community of School's "Twilight Session". Woonona Public School staff will be working collaboratively with staff from Russell Vale Public School and Woonona East Public School on an evening of learning aimed at building staff capacity. We look forward to a successful night!

### Road Safety

It has been reported to me recently that there has been concerning behaviour from drivers in and around our school. This is despite having police presence around our school late last term and again at the beginning of this term. Some reported behaviour has included conducting u-turns in illegal places, parking in "No Stopping" zones and parking in drop off zones. I am very aware that pick up time and drop off time is very difficult for those in cars. I ask that you lead by example, follow the law and ensure that the safety of students, families and the community are a priority in and around the school.

### State Netball Championships

Congratulations to Hannah, Kate and Madison who played in the South Coast team at the NSW PSSA State Netball Championships in Orange last week. Well Done, girls!

Enjoy your week!

### Library News

Don't forget that we have our Children's Book Character Parade this Thursday 15 August.

Early Stage One and Stage One will be participating in the parade. Pre-schoolers will have a chance to parade as well. Other students can come dressed up as a children's book character if they so choose. All students should bring along the book or book cover so that their character can be easily recognised.

### Premier's Reading Challenge

The Premier's Reading Challenge is in its final weeks. If your child is still hoping to complete the challenge please do all you can to assist or contact me so that I can do all that I can to ensure they have every chance to complete the PRC on time. If you have a child in Year 5 or 6 who might be eligible for a platinum certificate please contact me if you or your child is unsure of their entitlement.

Closing date is Friday 30 August.

Happy Book Week. Reading is my secret power!!!

### Stage 2 Life Education visit

*In Happy Harold's van we learnt about the body and where all the body parts belong. We also got to see what "sometimes" food can do to your body. We all had a part in moving types of food into categories on the wall.*

*We learnt what we needed to have in our bodies to keep us alive, like vitamins, oxygen, medicines and water. We also learnt what we don't need in our bodies, like waste and carbon dioxide.*

*We travelled through a body and learnt how our body parts work. We learnt interesting facts like how long our digestive system is and how our blood sugar levels rise really quickly and drop really quickly when we eat too much sugar.*

### Southern Stars

*On Tuesday 3 August, the Southern Stars performers went to the Win Entertainment Centre for a major rehearsal day. All the dancers were there from lots of other primary and high schools. We had so much fun dancing and rehearsing during the day. It was also fantastic being able to watch the other items rehearse. Our main song is Unbreakable and that was the first song we rehearsed to. We also practised the mid show finale and the main finale with over two thousand other dancers. There isn't a lot of space on the dance floor during those two dances! We also learnt about lining up in the tunnels and how to run out onto the main floor and exit the main floor. We were all excited and nervous at the same time and now we can't wait for show time next week!*

### New playground installation! Working bee update from Saturday

How good does this look? Cheers to the crew who came on Saturday to prepare for the big playground install this week. With so many willing helpers we had the edging done in no time so we spent the rest of the time weeding and mulching the gardens in the stage one area.

Cheers to:

- John Z
- Natalie, Fred & Alex B
- Matt, John & Lachlan P
- Brendan H
- Rob B
- Joseph D
- Liz Phillips for providing an awesome afternoon tea.

Looking forward to working with you all on future projects

## P&C Parent and Staff Surveys

Thank you to everyone who contributed to the 2019 P&C parent survey or staff survey! The surveys have now closed. 59 parent and 23 staff surveys were submitted. We really value your time, ideas and excellent feedback.

The results will be used to inform P&C activities, priorities and purchases in the coming year. A presentation of the parent survey key findings will be made at the P&C meeting this Wednesday, with opportunity for discussion. For those unable to attend, a summary will be included in the meeting minutes and an upcoming newsletter.

## P&C August meeting – Please come along...

... to hear about the P&C survey results, current and upcoming projects, what's happening in the school and get involved in the discussion if you wish. All welcome.

6.30pm Wednesday 14 August in the staff room.

## Father's Day stall – Thursday 29 August

Fathers Day is coming soon!

Thanks to the many volunteers already busy wrapping gifts for our upcoming stall.

If you would like to help on the day, please email Jayde at [manyhandsmakelw@gmail.com](mailto:manyhandsmakelw@gmail.com), and include your availability if you can't do the full day (9-1:30 approx). Thank you.

A note will go home with students in the coming week with all the details about purchasing a gift for dad or grandad.

## Bunnings BBQ fundraiser – Saturday 31 August

Woonona Public School P&C have snapped up the opportunity to host the Bellambi Bunnings sausage sizzle on Saturday the 31st of August, 2019. This is the eve of Father's Day, when many people will be around to purchase gifts.

It will be a successful fundraiser with YOUR help! Please spare 2 hours to join the BBQ crew.

**PROGRAM INFORMATION**

Little and Early Learning Labs is an enrichment program designed for students who are excelling in their area of interest within their year group, and are seeking a challenging and fun experience during the school holidays.

All workshops are held over one (mini-labs) or two days, and are presented by teachers with specialist training or a specific interest in gifted education. There will be sponsorship places available for some participants- please see more details on how to apply for these places on the website.

**WORKSHOPS ON OFFER- FULL LIST & WORKSHOP DESCRIPTIONS ONLINE**

Learning Labs workshops cover a range of diverse and innovative disciplines that are designed to challenge and stimulate the interest of self-motivated and curious learners. Here are **some examples of what's coming up** in October:

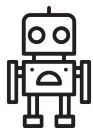

**What Happens When**

In this workshop we'll do the science experiments you wouldn't get to do in the classroom. Things will fizz, pop, smoke and explode in our quest to find what happens when...

**Clay Cafe**

Come join us at Clay Cafe where you get to develop your clay sculpting skills whilst creating any food (made completely out of air-dry clay!) your tastebuds desire. Warning: You may leave this workshop with an increased appetite!

**The Droid Building School**

This is your opportunity to learn to communicate with robots and teach them to develop tasks, learn to assemble, program and use sensors. Nobody knows but maybe you are the next Tony Stark or a Jedi droid builder.

**EV3 Robotics**

Bring the fascinating world of robotics alive with Lego Mindstorms EV2. We'll go through the process of assembling sturdy robots that you can modify or customise and then work with your partner to problem solve your way through a number of challenges before we prepare our robots for the grand finale – a Sumo battle!

A full list of the available workshops to choose from will be posted on the website in July 2019 when applications open. Please note that the program books up quite quickly, so ensure you submit your application as early as possible.

## DOUBLE DELIGHT FOR ACTIVE KIDS

Thanks to the Active Kids vouchers local kids are keeping active while their parents are keeping the cash.

I am so pleased to advise that from **01 July 2019** each school-enrolled child will now be able to access **two \$100 Active Kids vouchers** per year.

The money will help you pay registration costs for sport and recreation, so that your kid(s) can participate and stay active all year-round.

Families across the region keep telling me how much the Active Kids Vouchers help them manage the cost of living. Now with **two Active Kids \$100 vouchers per school enrolled child**, you can keep even more money in your back pocket while your kid(s) stay happy and healthy.

Since the Active Kids program was launched in 2018, more than one million vouchers have been redeemed and more than \$100 million saved by NSW families.

It is a big win for NSW when more kids can participate in sport because of the Government's drive to take down the barriers to expensive registration costs.

Whether it is soccer, scouts, AFL, rugby, netball, golf or volleyball, you're sure to find an activity your kid(s) will love. Active Kids really is making a difference to children's participation in sport and active recreation in NSW.

From January – June there was an overall increase of 13 per cent in the number of Active Kids' vouchers created, including a 17 per cent rise in vouchers created for girls following an influx of registrations for dance, gymnastics, tennis and swimming Active Kids providers.

These are incredible results and demonstrate why the NSW Government is investing an additional \$40 million this year to expand the Active Kids program.

From 01 July, parents of school-enrolled children can access a second \$100 Active Kids voucher to use towards registration and membership fees for sport and active recreation each year.
