Principal's Report

State Primary Principals' Association Conference

I have always felt very fortunate to be in the position I am. It is a truly fantastic profession being a teacher, where you have the opportunity to have a positive impact on future generations. Being an educator is a passion that I know I share with all the staff, both teaching and non-teaching at Woonona Public School.

In Week 3 I was lucky enough to attend the NSW Primary Principals' Association Conference. The theme for the conference was "BELIEVE IT OWN IT MAKE IT HAPPEN". What an experience to meet other principals and to hear wonderful keynote speakers share their stories and experiences. With speakers such as Turia Pitt, Eric Sheninger, Leigh Sales, Michael McQueen, Ann McIntyre and Michael Crossland (to name just a few), I came away from these three days feeling truly inspired!

Kindergarten Orientation

Our Kindergarten Transition began last week with a night Parent information Session. Feedback from those in attendance was very positive and reflected a well co-ordinated night that gave great insight into the transition process for our families.

This night session was followed by our first Kindergarten Orientation yesterday, with so many excited (and maybe a little nervous) faces at school to greet the staff of WPS. While our 2019 school starters were in with teachers and helpers they rotated through a range of tasks and left with a smile on their face and looking forward to their next session.

There is one more session next Thursday, which I am sure will provide our newest students with a great platform for success as they transition to "Big School". During next week's session, we ask our Kindergarten parents to remain at school where we will provide them with some further information about transitioning to school.

School Enrolments 2019

In order to have accurate numbers for next year, it is important to notify the school office if you know your child will not be returning to Woonona Public School next year (other than Year 6). This information helps us to plan for 2019.

Alternatively, if you know of friends or family members, living within the Woonona Public School catchment area, who intend to enrol their children in Woonona Public School in 2019, please ask them to contact the school office to fill in the necessary documentation.

School Technology Resources

It is with great excitement that I can inform our community that we have purchased four Ben Qs to be installed in the coming weeks into classrooms that are currently requiring updated technology. These Ben Qs will replace Interactive White Boards that are no longer operating efficiently and will be a great asset to teaching and learning. The purchase of Ben Qs has only been made possible by the "Technology Resources Contribution" from our community and I thank all those families who contributed for making this purchase a reality.

National Teachers' Day

Friday of Week 2 was National Teachers' Day, a day where we recognise the role that our teachers play each and every day in supporting students to learn and grow. I wanted to pass on a genuine thank you from our staff who were surprised by the generosity of many parents who created a morning tea to acknowledge the day. While this was not expected, it was certainly appreciated and I thank all of those families involved, especially Terri T for her organisation.

P&C Meeting - Wednesday 14 November

Our next P&C Meeting is next Wednesday, 14 November! I look forward to seeing many parents there for what will be our last official meeting of the 2018 school year.

Website and Calendar Update

Woonona Public School now has an Events Calendar located on the Home Page of our school website. This calendar will replace the existing Term Planner as of Term 4. It will be updated weekly but is subject to change due to unforeseen circumstances.

Please visit the website to view all events, permission notes and information at <http://www.woononaps.nsw.edu.au/>

Stage 2 Showcase: It's Amazing!

Stage 2 loved presenting their learning during the It's Amazing! Showcase. The presentations reflected the learning taking place in classrooms and the students loved having an authentic audience to present their findings to. The explanation task required persistence, collaboration, risk taking, and wonder, to complete successfully and we were so pleased to observe our students brimming with confidence throughout the visits. Thank you to all who came along on the day.

A few words from some Stage 2 students:

Welcome to the International Space Station, the place where space never looked so good! During the showcase 3-4P travelled into deep space. To make it into space, each group explored one of the following topics: How are auroras formed? Why do we need satellites? How do solar eclipses occur? How do astronauts get to the ISS? and How do astronauts live on the ISS? In class we gathered information on our chosen topic and used what we learnt to write explanations. We then drafted and created our posters and finally worked out how we were actually going to present our information. On the day it felt so good to be presenting to all the parents and students. - **Emily**

Our theme was Animal Wonder. I wrote and presented an explanation for 'Why do chameleons change colour?' I enjoyed researching and working with my group. On the day I really enjoyed presenting to the parents and I liked that I memorised my part of the explanation. - **Lachlan**

I enjoyed talking and explaining to people who didn't know how dinosaurs went extinct. - **Jessica**

I found it really easy because we were all good at collaborating. - **Jett**

I found collaborating was fun because we were working together and we came up with new and better ideas. - **Ashleigh**

I enjoyed decorating our display. I enjoyed it because I love art and it was really fun working in a team. - **Chloe**

Spare Change Friday Fundraiser

Wow! What a fantastic ending to our Spare Change Friday Fundraiser.

2P raised the most money so they were the lucky winners of the Pizza Party. Thanks to Domino's Woonona for the great food. Pizza and garlic bread was enjoyed by all. There was lots of eating and lots of dancing.

The 4 runner up classes were 2B, 2C KW and 3-4P. Well done to those classes who also raised lots of money and had Zooper Doopers to celebrate.

Thanks again to all students and families for getting behind this great fundraiser and raising lots of money for our Picnic Day events.

4-5W's Poetry Slam

4-5W have been learning about poetry to encourage creative thinking. Poetry is a form of expression that lets us get out our feelings and thoughts on a subject, while reading it encourages us to connect and find meaning in our experiences. The students had five minutes to brainstorm their ideas and then delivered an impromptu "beat box" in front of the class. This is what happened!

Boxing is my "Hall of Fame"

I'll bring you down

Norse Mythology Poem

Have you heard the horn, like
how the serpent roars?
The ship on the waves,
Rocking around as the pursuit
is on, these people are mad,
They want revenge for the
harbingers,
Death.
They will do anything to
protect their land as
Oden stands by their side
They are making a war whilst
knowing that if they fall,
They will go into the hands of
the Gods
In Valhalla
While fighting to stop
Ragnarok
They are proud to be called
Vikings.

Vote For Woonona Public School

Thanks to the Greater Banks stronger communities initiative, Woonona Public School is a nominee, along with two other community groups in the November round, to receive some funding. The organisation that receives the most votes gets \$2000 with the 2 runners up each receiving \$500. Building on our healthy canteen strategy, we would love to use this funding to upgrade our canteen and get a new oven; should the voting be in our favour. So please set the reminder in your calendar and spread the word to friends and family.

Voting is now open. You can vote every hour and from multiple devices (phone, ipad and computer - as long as it has a different IP address) until 5pm, 28/11/18. Below is the link for you to vote and share and see how our votes are tracking live. It's a really easy way we can all help contribute to our children's school so thank you in advance and fingers crossed.

Excellence Innovation Success

Community members, school groups, families and friends are encouraged to attend a commemorative ceremony and parade as members of the 4th / 3rd Battalion exercise their Freedom of Entry to the City on Saturday 17 November.

The event will start in MacCabe Park at 1pm where the 4th / 3rd Battalion will lay wreaths at the Cenotaph.

NSW Governor General David Hurley AC DSC (Ret'd) will attend the ceremony with Wollongong City Lord Mayor Councillor Gordon Bradbery AM prior to the march from the Cenotaph in MacCabe Park. The march will proceed into the City Centre, via Globe Lane and finish at the eastern end of the Mall at Kembla Street.

The ceremony commemorates the centenary of the end of World War I in November 1918.

The City welcomes the Battalion exercising their right to Freedom of Entry. The Battalion was granted Freedom of Entry in March 2004. The ceremony and parade on 17 November will recognise the vital role the 4th / 3rd battalion has played in the Australian defence forces.

Everyone is encouraged to come out and pay tribute to our local Battalion which has provided assistance to our defence forces for many years.

It is a good opportunity for all community members to see a traditional military parade through the heart of Wollongong where Battalion members will have their bayonets fixed, colours flying and music playing.

The 'Freedom of Entry to the City' is an honour that dates back to medieval times and was granted to military units that earned a city's trust. Citizens of these cities had the power to refuse entry to armed groups unless the citizens were confident of their own safety.
