

# Instructions for logging on to Google Classroom on a Computer

1. Open the NSW Education homepage. <https://education.nsw.gov.au/>
2. Click on Log In and then click on Student Portal.

3. Students will then need to enter their username and password. (This is the same username and password students use to log on to computers at school.)

## Login with your DoE account

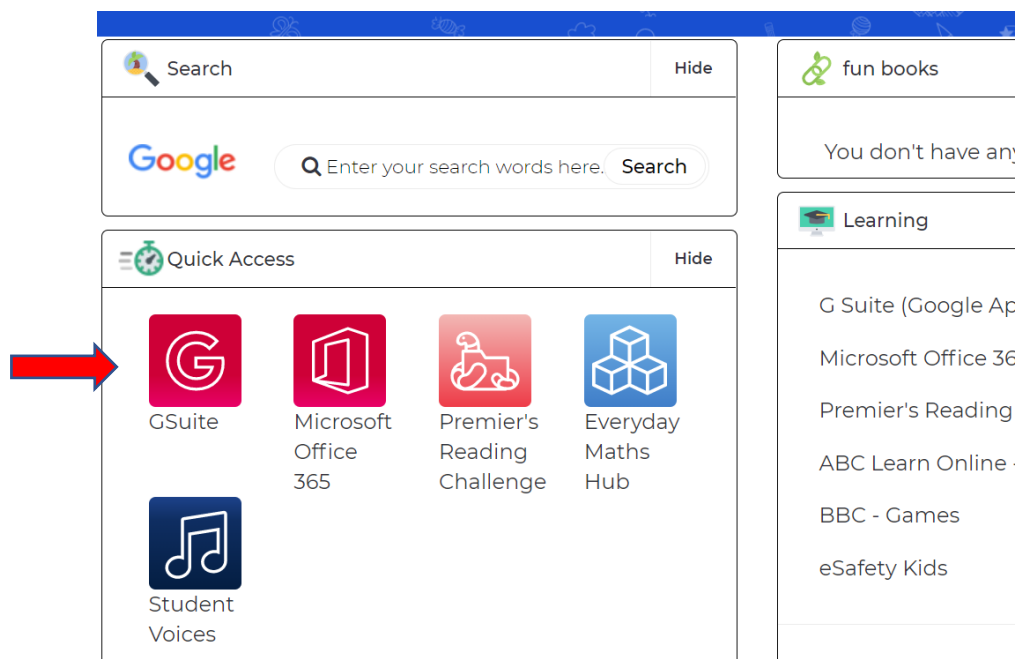

User ID

Example: jane.citizen1

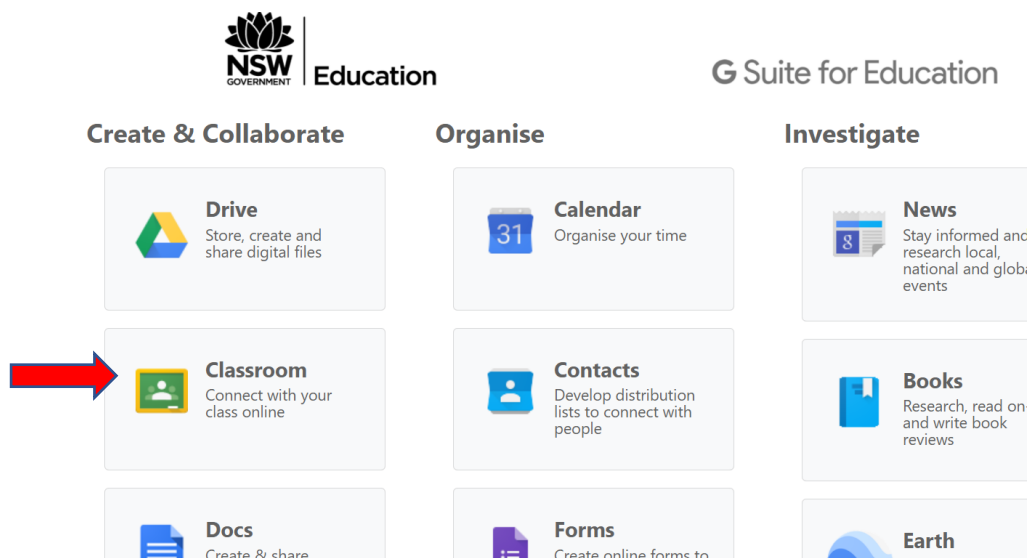

Password

[Forgot your password?](#)

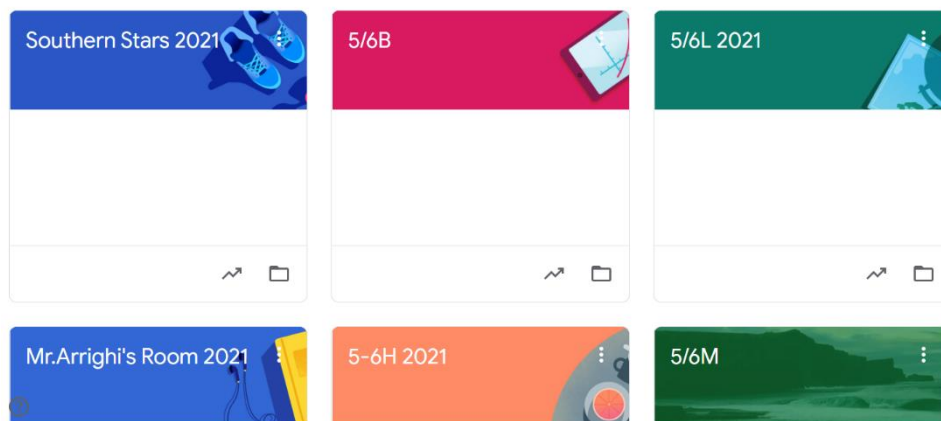

4. The student portal page will then open. Click on G Suite.

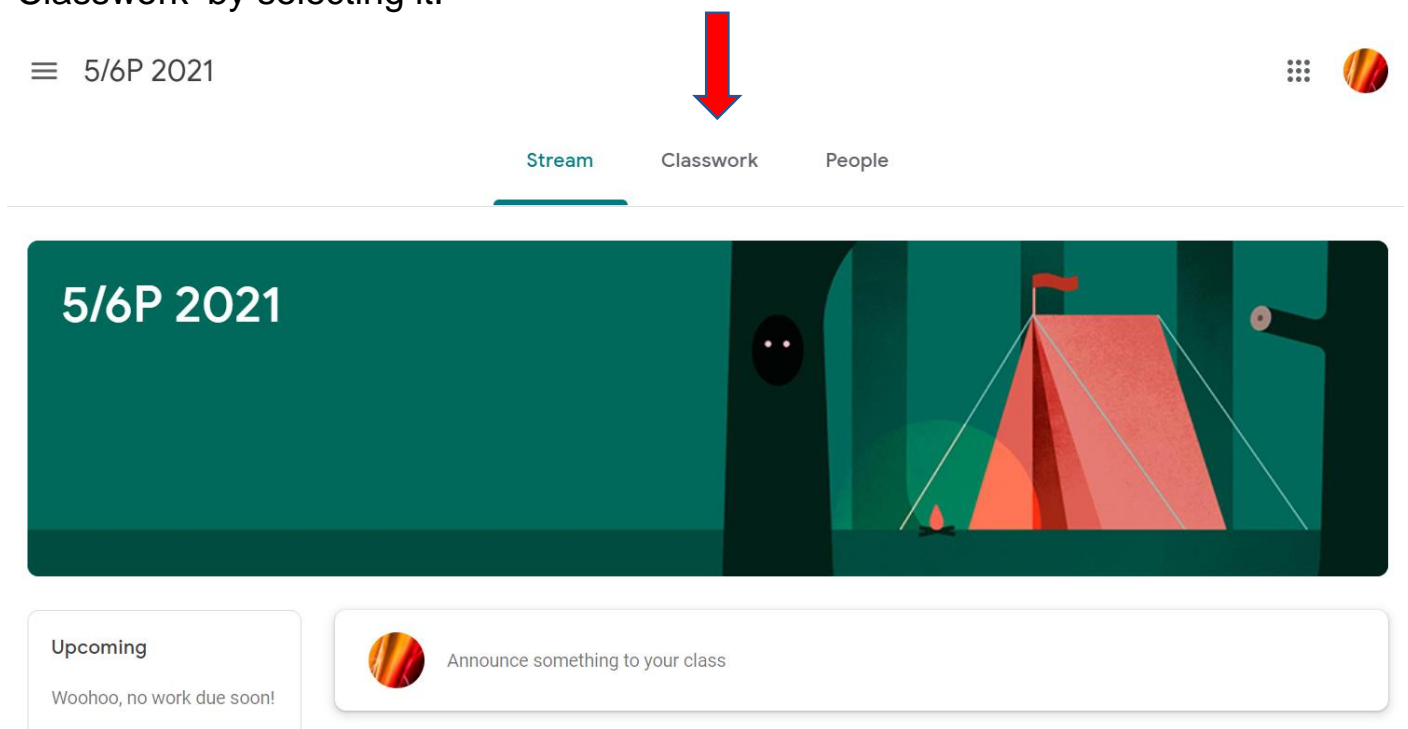

5. G Suite for Education will open. Now you will click on 'Classroom'.

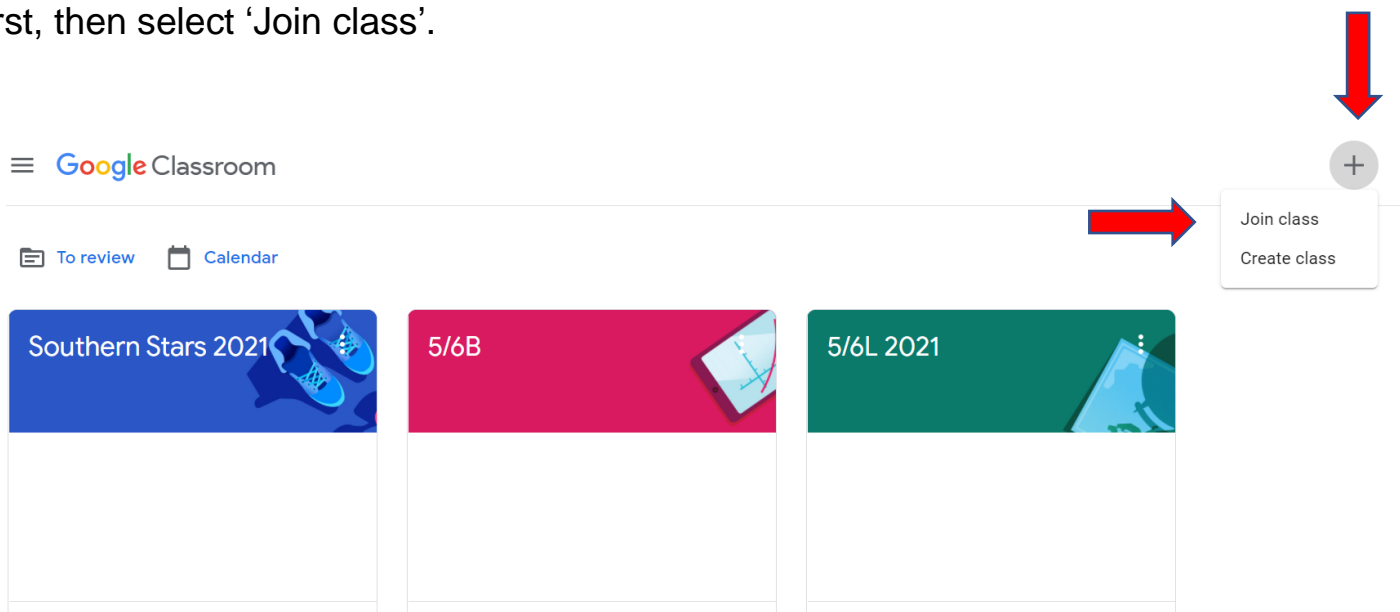

6. If your child has already accessed their classroom, it will appear in the options, like below. They click on their class and it will open. (If no classes appear, please go to step 8.)

7. The classroom will open to the 'Stream' and students will be able to navigate to 'Classwork' by selecting it.

8. If your child has not yet joined their class. They will need to click on the plus sign first, then select 'Join class'.

9. They will then need to enter their class code. They will then select [Join](#).

Class code

Ask your teacher for the class code, then enter it here.
